

# SCHEDULE OF BENEFITS

Michigan Conference  
of Teamsters Welfare Fund  
Schedule of Benefits

**KEY II**  
**ZBN26**

July 2001

Health and welfare benefits play an important part in your life. They help you pay for doctor visits, prescription drugs, dental treatment, optical care and many other common health care needs. Your benefits also provide financial protection in the event of unexpected, catastrophic events such as hospitalization, surgery, disability or death.

**Your benefits.** If you are an eligible active participant, the Michigan Conference of Teamsters Welfare Fund provides you and your eligible dependents with a benefit Plan that includes important programs to help you meet your health and welfare needs.

These programs are explained in detail in the Summary Plan Description booklet. This Schedule of Benefits is part of the Summary Plan Description. You should read this Schedule with the booklet for a complete description of your benefits.

**Network options.** You have the option of using In-Network or Out-of-Network physicians and dentists for your healthcare needs. In-Network physician services are provided through PPOM, L.L.C. In-Network dental services are provided through Delta Dental of Michigan. When you receive services from a PPOM or Delta Dental of Michigan provider, you will experience little or no out-of-pocket expenses.

When you use a provider that does not participate in a PPOM, or Delta Dental of Michigan Network, you will have higher out-of-pocket expenses and will be responsible for any amounts over and above the Plan's reimbursement.
