ASSIGNMENT, SUBROGATION AND REIMBURSEMENT AGREEMENT

  - b. Claimant has received a copy of this Agreement and has had the opportunity to consult with an attorney as to those matters set forth herein.

3. Assignment.

To the extent of the benefit payments made on Claimant's behalf by the Fund under this Agreement, Claimant irrevocably assigns to the Fund all rights of recovery arising from this injury or illness, and Claimant grants to the Fund irrevocable legal and equitable lien rights as to the proceeds from any such recovery, regardless of how and by whom the recovery is characterized and all rights necessary to allow the Fund to enforce its rights under this Agreement. This assignment applies to all amounts recovered, whether by award, trial, voluntary settlement, arbitration, mediation or any other alternative dispute resolution or otherwise.

4. Third-Party Subrogation Rights.

To the extent of the benefit payments made on Claimant's behalf by the Fund under this Agreement, Claimant subrogates to the Fund all of Claimant's rights, claims and interest in any claim that Claimant may have against any source arising from this injury or illness and authorizes the Fund, at its discretion, to sue, compromise or settle in Claimant's name all such claims and to execute releases, endorse checks or drafts paid in settlement of such claim in Claimant's name, with the same force and effect as if Claimant executed or endorsed them. Claimant agrees to cooperate fully with the Fund in the prosecution of such claims and testify at the Fund's request.

5. Reimbursement. Provided the Fund has not received an amount to which it has agreed in satisfaction of its lien rights, the Fund shall have the following reimbursement rights:

- a. To the extent of the benefit payments made on Claimant's behalf by the Fund under this Agreement, Claimant agrees that any recovery from any source belongs to the Fund and shall be deemed an asset of the Fund. Therefore, any monies received by Claimant, Claimant's heirs, executors, administrators, assigns, personal representatives, attorneys, or anyone else acting by, through or on Claimant's behalf, in any way related to the aforementioned injury or illness, shall be held in trust for the benefit of the Fund. Claimant shall pay to the Fund immediately upon receipt of such recovery any unsatisfied portion of the Fund's lien.
- b. Claimant shall be personally liable to reimburse the Fund for any unreimbursed benefit payments in the event that (i) Claimant fails to obtain prior Fund approval to a settlement in violation of Paragraph 6(b); or (ii) Claimant refuses to satisfy the Fund's lien in violation of Paragraph 5(a).
- c. The Fund shall have the right to deduct the amount of any unreimbursed benefit payments from any future benefits payable by the Fund to or on behalf of Claimant or to or on behalf of the participant (if other than the Claimant), or any other covered dependent of the participant, now or in the future. This includes all benefits payable by or on behalf of the Fund.

- d. In the event the Fund incurs any legal fees, or collection fees or costs in the enforcement of any of its rights hereunder, the Fund shall be entitled to reimbursement of such by Claimant.

6. Claimant's obligations.

- a. Claimant shall inform the Fund immediately upon notification to any other party (or the party's attorney) of an intent to pursue legal action.
- b. Claimant shall notify the Fund of the date and location of any settlement conference, mediation, pretrial, trial or other hearing with respect to any lawsuit at least thirty (30) days prior thereto. Any settlement of a lawsuit against a third party with respect to which the Fund claims an interest requires prior written approval by the Fund. Claimant will not include in any settlement a provision for payment of any amounts to any individual, institution or trust unless such settlement provides for payment to the Fund of any amount to which it has agreed in full satisfaction of its lien rights.
- c. Claimant agrees to sign any additional documents that the Fund deems appropriate in order to accomplish the objectives of this Agreement.
- d. Claimant shall provide the Fund with information when requested.
- e. Claimant shall cooperate with the Fund in the enforcement of the Fund's rights, and will do nothing that may prejudice such rights.
- f. Failure to comply with any of the obligations set forth in this Agreement may result in suspension or termination of benefits hereunder.

7. General provisions.

- a. The rights of the Fund to assignment, subrogation and reimbursement as provided in this Agreement are not subject to the common law doctrine known as the "make whole" rule, or any related doctrines whereby Claimant would have a right to be made whole. The assignment, subrogation and reimbursement rights provided herein grant the Fund a first priority claim against all amounts paid by or recoverable from any source, even if such amounts constitute only a partial recovery and are insufficient to compensate Claimant for all damages sustained. Such first priority shall apply regardless of how such damages may be characterized.
- b. Claimant agrees to be bound by the assignment, subrogation and reimbursement clauses and rights as set forth in the Fund's Summary Plan Description, as amended from time to time.
- c. Any litigation brought by the Fund pursuant to this Agreement shall be commenced in the circuit court for the County of Oakland, State of Michigan or in the appropriate lower district court in said county, or in the U.S. District Court for the Eastern District of Michigan, and the parties hereby consent to such personal jurisdiction.
- d. This Agreement shall be binding on Claimant, Claimant's heirs, executors, administrators, assigns, personal representatives, attorneys, or anyone else acting by, through or on Claimant's behalf.
- e. In the event that any provision of this Agreement is held to be void or voidable, or unenforceable for whatsoever reason, the remaining provisions of this Agreement shall remain in full force and effect to the greatest extent possible.

- f. In the event the injured party is a minor, the following provisions shall apply:
- i. The parent(s) or legal guardian must execute this Agreement on behalf of said minor. In the event a legal guardian is appointed after the Agreement is executed, the Fund must be notified immediately and the legal guardian must affirm this Agreement in writing. If the legal guardian is not the participant, the participant and his or her spouse must sign this Agreement evidencing their agreement to all the terms stated herein.
  - ii. Failure to notify the Fund of the appointment of a legal guardian or failure by the legal guardian to affirm this Agreement shall be a default under the terms and conditions hereof and the Fund shall not be required to make any further payments or provide any further benefits. In such case the Claimant, parent(s), and/or legal guardian of the minor child, as the case may be, shall be jointly and severally liable, financially and otherwise, to the Fund for any and all losses, including unreimbursed monies, sustained by the Fund.
- g. Claimant hereby authorizes the Fund to release and deliver to Claimant's attorney, or any other designated representative, any and all medical information, files, documents, payment records or other related data in the possession of the Fund, or its agents, relating to Claimant. Claimant agrees to execute the Fund's Authorization to Release form for disclosure of such protected health information, as is provided under the Health Insurance Portability and Accountability Act of 1996.
- h. The Fund shall be entitled to recover 100% of the amount paid to or on behalf of Claimant. The Fund does not have any financial responsibility with respect to the cost of legal services or other costs in connection with Claimant's claim(s), except as may be expressly agreed by the Fund's Executive Director on a case-by-case basis.
- i. If Claimant is legally married, the claimant's spouse must sign this Agreement evidencing his or her agreement to all the terms stated herein. If Claimant is not the participant, the participant and his or her spouse must sign this Agreement evidencing their agreement to all the terms stated herein.
- j. The validity, interpretation, construction and enforcement of this Agreement shall be governed and controlled by the laws of the State of Michigan, to the extent not preempted by applicable federal law.
