Dear MCTWF Retirees Plan Participant:

The Michigan Conference of Teamsters Welfare Fund (MCTWF) is pleased to offer Electronic Funds Transfer (EFT) payments for all participants under the MCTWF Retirees Plan. This service enables you to have your monthly self payments automatically deducted from your checking or savings account on your due date. The withdrawal of funds is completely secure and at no cost to you. This will eliminate your need to write checks, pay postage and will also eliminate the possibility of lost payments or mail delivery delays.

This program is completely voluntary. If you would like to enroll, complete the enclosed authorization form and return it to MCTWF. For checking account deductions, be sure to include a voided check from your account to ensure accuracy with bank routing and account numbers. For savings account deduction, you should contact your savings institution to obtain the bank routing number and include it along with your account number on the authorization form.

Upon receipt of the completed form, a pre-notification transmission will occur to verify banking information. Once verified, you will receive a confirmation notice from MCTWF informing you of the date that the withdrawals will commence. Please note, contribution rates are subject to increases and scheduled payments will be automatically withdrawn unless MCTWF is notified in writing, within at least 30 days, to cease the transactions.

If you have any questions concerning this matter, please contact the Member Accounts Unit at (313) 964-2400, extension 310.

Please complete form and email, fax or mail to MCTWF (address above).

Fax: 313-964-3144. Email: RetireeDept@mctwf.org

Sincerely,

Member Accounts Unit
